

EXPRESS RANCHES
HEREFORD
EVENT
VOL. VIII

Sun., October 16, 2022 • 12:30 pm
AT THE RANCH, YUKON, OKLAHOMA

We invite you to attend our Hereford Event Volume VIII Production Sale Sunday, October 16. We will be offering our best Hereford genetics. We are relatively new to the Hereford breed, but we are strong supporters of the cattle industry and excited to be in the Hereford business. We also look forward to getting better acquainted with our fellow breeders.

We will be offering a cross section of donor females, bred heifers, pairs as well as an exciting group of heifer calves. Our Express Scholarship program on the show heifers is second-to-none and one of the programs we are most proud of.

If we or any of the crew can be of any assistance, don't hesitate to call or email. We hope you can join us in Oklahoma for an exciting Hereford weekend. Thanks for your interest.

Sincerely,

Jarold Callahan & Bob Funk

 - This power packed offering leads off with a direct daughter of the ever-popular all-around performance sire Endure and is out of the resident donor Boyd Dew Drop 3304 the former \$24,000 feature top seller for Boyd Beef Cattle.
 - EXR Dew Drop 2034ET is displays superior phenotype with and elite EPD profile. Built right form the ground up with added style, balance, hip, bone and is equipped with excellent markings and big red eyes. She ranks in the top 2% for \$CHB and RE, top #% for CW, top 5% for YW, and top 10% for WW, Milk and IMF.
- A maternal sister, sired by Genesis making her a 3/4 sib, was the feature lot 2 in last year's offering commanding \$37,5000 to the Coleman Family in California. 3 open flush mate sisters commanded \$19,500 to average \$6,500 in the 2021 Sale.
- Carrying the service to the ever-popular Desperado the calf in her belly could be something pretty special and yield a high return on investment.

- EXR Lady 1016 is a powerfully constructed female with added volume and style. Short marked, dark red in color, and loaded with pigment only enhances the value of this built well numbered female. Her dam was a feature in the 2021 sale commanding \$10,000. 1016 ranks in the top 20% for 6 individual EPD traits amongst the Hereford population.
- Mated to the Roughneck a bull Express Ranches and Genex purchased out of the Churchill Cattle Co. in Montana. The roughneck calves at the ranch and around country are impressive and he will continue to see heavy service at Express Ranches.

Genesis has been one of the most exciting young sires to surface in the Hereford breed in sometime. His popularity began with his visual appearance and gained steam with the combination of his EPD profile and being homozygous polled. Since his first progeny hit the ground starting last fall the reports have been outstanding. The majority of the progeny are short marked, dark red, heavily pigmented, stylish and high performing. To date in the Hereford database 154 Genesis progeny have recorded an average BW ratio of 99.6 and 41 progeny have recorded an average WW ratio of 100.7.

Genesis has certainly lived up the hype and his progeny will continue to thrive in both seed stock and commercial operations. Genesis semen is only offered at auction through one of the respected owners live or online auctions. This will be the last chance to acquire Genesis semen in 2021.

CONGRATULATIONS TO THE Ex479 JUNIORS NATIONWIDE WHO HAVE PURCHASED HEIFERS FROM EXPRESS RANCHES AND HAVE RECEIVED OVER \$4,577,000 IN SCHOLARSHIP AWARDS

EXPRESS RANCHES SCHOLARSHIP PROGRAM

INTRODUCTION

The Express Ranches Progressive Junior Scholarship Program is designed to help America's youth to continue their education by enrolling in undergraduate courses of studies at an accredited two or four year college, university or vocational technical school. It is designed for juniors who want to accumulate scholarships year after year.

ELIGIBILITY

1. The animals must be purchased from Express Ranches at public auction or by private treaty.
2. The animals must be bought and registered by a junior and be in his/her name.
3. The year of purchase and receipt of payment determines which year you will qualify under the graduated program: If you purchased and paid for an animal in calendar year 1995, that is year one. Animals purchased and paid for in subsequent calendar years qualify you for additional years. If any year is missed, the future purchase will be credited to the next year of purchases. (i.e. If you purchased in 2000 and 2002, the 2002 would be the second year of purchases.)

4. The year of purchase (one, two, three, four or five), not the year of the show, will determine which scholarship year will be honored.

5. If the animal wins more than one year in the same show, the scholarship winnings will be honored both years from the year purchase was made.

6. In appreciation for purchasing cattle from Express Ranches in 1994, we will count 1994 as year one for those wonderful buyers. Thank you for your confidence in us.

To qualify for each scholarship, the student is required to submit the proper information of verification on the Express Ranches Verification Form and provide proof of winning. The calculation for the Junior Scholarship will begin in the month the verification papers arrive at Express Ranches.

Each **Express Ranches Progressive Junior Scholarship** will be funded by Express Ranches in the name of recipient in the Express Ranches Scholarship Program Account.

The **Express Ranches Progressive Junior Scholarship will have a 5% to 10% Scholarship Award added annually which is set based on market conditions, and will be reviewed annually by the advisory board**, from the month of beginning until the funds are properly distributed to the accredited two- or four-year college, university or vocational-technical school. The Express Ranch Scholarship Program will process scholarship awards, to the schools, in mid-August and mid-December. Checks will be made payable jointly to the recipient and to the educational institution and must be endorsed by both. Qualified expenses include tuition, books, related fees, and room and board. Qualifiers must complete their education at the accredited college, university or vocational-technical school of their choice on or before their 30th birthday or the remaining portion of their Express Ranches Progressive Junior Scholarship fund will be forfeited. There will be a third party advisory board administering the scholarships. The board will be appointed by Express in staggered terms. The current advisory board is: Kyle Haley, Jack Stuteville, Eddie Sims, Ryan Cotton and Sonny Booth.

This scholarship will be non-transferrable unless approved by the advisory board. Any questions or changes will be decided and or approved by the advisory board. The Express Ranches Scholarship Program will be audited annually.

ELIGIBLE SHOWS

Level I: National Accredited Junior Show

Level II: Denver Junior Show; Louisville Junior Show; Kansas City Junior Show; Oklahoma City Spring Fair; Nationally Sanctioned Regional Heifer Shows; and one of the following Texas Junior shows, San Antonio, Fort Worth or Houston.

Level III: State Fair Junior Shows, State Fair shows will be honored for the persons in the state of origin. The state of origin is defined as the state of residence of the owners and or the state of your 4-H or FFA chapter. Only one state of origin showing will be rewarded per calendar year.

Level IV: State Junior Field Day & County Junior Shows. County shows will be honored for the persons in the county of origin. The county of origin is defined as the county of residence of the owners and or the county of your 4-H or FFA chapter. Only one county of origin showing will be rewarded.

We may review the entire program annually. May each participant work hard, enjoy their cattle and win many scholarships for their future education.
