HEREFORD EVENT *Sale*

SUNDAY, OCTOBER 15, 2023 • 12:30 PM

At the Ranch • Yukon, Oklahoma

We invite you to attend our annual Hereford Event Volume IV Production Sale Sunday, October 15. We are strong believers of the Hereford breed and just as proud to be raising quality Hereford genetics.

We feel we have put together a solid set of females that will enhance your program. With a cross selection of donor females, bred heifers, pairs, flush opportunity and top-notch show heifer prospects, we feel there is something for everyone. As always, the show heifers qualify for our Express Ranches Scholarship Program, this is something we are really proud of and is our way to give back to the junior members.

If any of the Express Ranches team can be of assistance, don't hesitate to call or email. We hope you can join us in Oklahoma for an exciting Hereford weekend. Thank you for your interest.

Sincerely,

Jarold Callahan

LOT 1A: Heifer Calf, EXR BAILEES MCKEE 3057, born 8/8/2023 sired by RST FINAL PRINT 0016. BW: 71 lbs.

We start off the incredible offering at the 2023 Express Ranches Hereford Event with a full sister to EXR Generator 0333 ET, who was the high-selling Hereford Bull in the 2022 Spring Bull Sale, commanding \$55,000 to ABS.

EXR Bailees McKee 0337 ET displays a powerful phenotype with an elite EPD profile. She is built right from the ground up with tremendous power and balance. This short-marked female with pigment is square made in her hip design, big bodied, angular, and elegant in her head and neck design. This excellent donor prospect has a great udder and is doing an amazing job raising her powerful Final Print heifer calf at side that excels at performance and phenotype.

She is sired by the ever-popular performance sire Genesis and out of the C Bailees McKee 4295 ET donor that is over a \$300,000 producer at Express and quickly becoming known for her consistency of producing exceptional progeny.

Maternal sisters sell as Lots 2, 6, 7, 8, 41, 44, and 46. Full sister sells as Lot 72.

Sisters to the \$55,000 EXR Generator 0333 ET!

Sells Open.

This could be one of the most complete and exceptionally designed horned females ever offered at Express Ranches.

Study the design—built correct from the ground up on tremendous feet and legs with a big sweep to her belly, stout features, long hiped and does it all in a short-marked, red-necked, red eyed package with an angular and elegant front one-third.

She is sired by the popular performance and phenotype standout Bankroll and out of the mother of EXR Generator, C Bailees McKee 4295 ET, this female will be tough to turn in the showing and most importantly, be an excellent donor once her show career is over.

Maternal sisters sell as Lots 1, 6, 7, 41, 44, 46, 72. Full sister sells as Lot 8.

What an exciting opportunity to flush and control the mating on one of the most prolific Hereford donor females ever at Express Ranches. C Bailees McKee 4295 ET is the mother of EXR Generator 0333 ET, the \$55,000 top-selling Hereford Bull of the 2022 Express Ranches Fall Bull Sale to ABS. She has amassed well over \$300,000 in progeny sales at Express Ranches and is still gaining steam with 9 daughters in this sale, including several featured lots. Since joining the elite donor herd at Express, she has recorded 85 progeny in only four years.

The buyer is guaranteed a minimum of six embryos and three pregnancies if put in by a certified embryologist. Express Ranches provides all flush costs with the buyer providing the semen and purchasing the recipient cows.

This is the first time Express Ranches has made this available, so don't overlook the tremendous potential in this flush!

EXPRESS RANCHES SCHOLARSHIP PROGRAM

INTRODUCTION

The Express Ranches Progressive Junior Scholarship Program is designed to help America's youth to continue their education by enrolling in undergraduate courses of studies at an accredited two or four year college, university or vocational technical school. It is designed for juniors who want to accumulate scholarships year after year.

ELIGIBILITY

1. The animals must be purchased from Express Ranches at public auction or by private treaty.
2. The animals must be bought and registered by a junior and be in his/her name.
3. The year of purchase and receipt of payment determines which year you will qualify under the graduated program: If you purchased and paid for an animal in calendar year 1995, that is year one. Animals purchased and paid for in subsequent calendar years qualify you for additional years. If any year is missed, the future purchase will be credited to the next year of purchases. (i.e. If you purchased in 2000 and 2002, the 2002 would be the second year of purchases.)

SCHOLARSHIP PROGRAM PAY SCHEDULE

4. The year of purchase (one, two, three, four or five), not the year of the show, will determine which scholarship year will be honored.

5. If the animal wins more than one year in the same show, the scholarship winnings will be honored both years from the year purchase was made.

6. In appreciation for purchasing cattle from Express Ranches in 1994, we will count 1994 as year one for those wonderful buyers. Thank you for your confidence in us.

To qualify for each scholarship, the student is required to submit the proper information of verification on the Express Ranches Verification Form and provide proof of winning. The calculation for the Junior Scholarship will begin in the month the verification papers arrive at Express Ranches.

Each **Express Ranches Progressive Junior Scholarship** will be funded by Express Ranches in the name of recipient in the Express Ranches Scholarship Program Account.

The **Express Ranches Progressive Junior Scholarship will have a 5% to 10% Scholarship Award added annually which is set based on market conditions, and will be reviewed annually by the advisory board**, from the month of beginning until the funds are properly distributed to the accredited two- or four-year college, university or vocational-technical school. The Express Ranch Scholarship Program will process scholarship awards, to the schools, in mid-August and mid-December. Checks will be made payable jointly to the recipient and to the educational institution and must be endorsed by both. Qualified expenses include tuition, books, related fees, and room and board. Qualifiers must complete their education at the accredited college, university or vocational-technical school of their choice on or before their 30th birthday or the remaining portion of their Express Ranches Progressive Junior Scholarship fund will be forfeited. There will be a third party advisory board administering the scholarships. The board will be appointed by Express in staggered terms. The current advisory board is: Kyle Haley, Jack Stuteville, Eddie Sims, Ryan Cotton and Sonny Booth.

This scholarship will be non-transferrable unless approved by the advisory board. Any questions or changes will be decided and or approved by the advisory board. The Express Ranches Scholarship Program will be audited annually.

ELIGIBLE SHOWS

Level I: National Accredited Junior Show

Level II: Denver Junior Show; Louisville Junior Show; Kansas City Junior Show; Oklahoma City Spring Fair; Nationally Sanctioned Regional Heifer Shows; and one of the following Texas Junior shows, San Antonio, Fort Worth or Houston.

Level III: State Fair Junior Shows, State Fair shows will be honored for the persons in the state of origin. The state of origin is defined as the state of residence of the owners and or the state of your 4-H or FFA chapter. Only one state of origin showing will be rewarded per calendar year.

Level IV: State Junior Field Day & County Junior Shows. County shows will be honored for the persons in the county of origin. The county of origin is defined as the county of residence of the owners and or the county of your 4-H or FFA chapter. Only one county of origin showing will be rewarded.

We may review the entire program annually. May each participant work hard, enjoy their cattle and win many scholarships for their future education.
